

TALIBAN

From JIHAD To APOSTASY

All praise is to Allah, the mighty, the strong, and may the blessings and peace be upon the one sent with the sword as a mercy to the worlds.

Allah the blessed and exalted said, "And stop them; indeed they are to be questioned." [37: 24]

And he the blessed and exalted said, "Their testimony will be recorded and they will be questioned." [43: 19]

Ubadah bin as-Samit narrated, "we swore allegiance to the Messenger of Allah to hear and obey in times of difficulty and in ease, in enthusiasm and reluctance, to endure upon whatever impacted us, and not to dispute about the rule with the people of command, to say what was right wherever we were, and to fear not in the way of Allah from the blame of the blamers." [Sahih –al-Bukhari 7199]

As to what follows, Verily, the Taliban of today has nothing in common, except for their name, with the Taliban under the leadership of sheikh and Mujahid Mullah Umar, may Allah have mercy upon him, who clearly refused to hand over Sheikh Usama bin Ladin, may Allah have mercy upon him, and his fellows to the crusader forces for he knew it was not permissible for him to handover a member of the ummah of Muhammad SAW to the infidels and enemies of Allah. And thus, it was the reason behind America's declaring a full-fledged war with the people of Afghanistan. Mullah Umar accepted the challenge, for he had the clear understanding of AL WALA WAL BARA. The religion of al-Islam conciliates and equates between the Muslims and makes them like brothers to one another. The prophet peace and blessings be upon him said, "A Muslim is the brother of a Muslim. He neither oppresses him nor deserts him nor looks down upon him. The piety is here (and while saying so) he pointed towards his chest thrice. It is a serious evil for a Muslim that he should look down upon his brother. All things of a Muslim are inviolable for his brother in faith; his blood, his wealth and his honor." Sahih Muslim (book 31,6219)

This was the way of Taliban back in the past, which we knew of, and this was their manhaj (methodology) and whoever substitutes from it then we substitute from them. This was the Taliban that we loved and adored, this was the Taliban that we had allied ourselves with, and this was the Taliban that we supported. This was the Taliban that terrorized the nations of disbelief and plagued the sleep of the tyrants. This was the Taliban that ran through our blood and dwelled in the depths of our hearts, we respected it, we supported it, we revered it, we honored it and held it in high esteem; and we obeyed its leadership, for they themselves were symbols, we did not allow any suspicion, a mere suspicion to pass in the minds of any of us, and neither did we slander, revile or deprecate any of its leaders by speaking against them. Yes and why? Because they are the people of precedence, favour, and sacrifice, because they are the symbols of the Ummah and its leaders in the time, the revivers of the religion. This was our relationship with Taliban of Mullah Umar.

However, the Taliban of the present era, being headed by the nationalists, seculars, democrats and apostates earned the wrath of Allah SWT and enmity of Muwahideen through their recent actions of entering into alliance with crusaders, apostates, rawafidah and other polytheists. They declared their enmity towards mujahideen and took a clear stand of preventing them from performing jihad against the crusaders, other apostate and rawafidah regimes. They publically declared Russia, America and Iran as their future allies. Taliban with the help of American airpower and Apostate Afghan soldiers killed the thousands of Muslimeen from the Islamic State

in Wilayah Khurasan. The Taliban shamelessly boasted about it by declaring that, "we have cleansed the Nangharhar province from the Mujahedeen of the Islamic State." This was done in order to prove their loyalty to their American masters in return to bargain the so called peace deal. In the past the Taliban has also killed the Mujahedeen from Uzbekistan in Zabil in order to please the filthy Rafidah. May the wrath of Allah be upon them for allying with apostates and disbelievers and showing enmity towards the Believers.

They promised the Kuffar to implement the non-sharia laws in the land of Afghanistan on the democratic basis; which would do them no good. The soil and dirt in the Muslim lands reject the legislation other than Islam. For the lands that were irrigated with the blood and the sweat of Sahabah resist other than LA ILAHA ILA ALLAH. Allah the blessed and exalted said,

"Whosoever does not judge by what Allah has revealed such are the disbelievers" [5:44]

And He the blessed and exalted said,

"Do they seek the judgement of the days of ignorance? And who is better in judgement than Allah for a people who have firm faith"[5:50]

The sheikh Al-Mujahid (renewer of the religion) Usama-bin-ladin, may Allah have mercy upon him, in the 22nd speech said, "if the people were to commit to all the rulings of islam except for example committing to the command forbidding Riba (usury), and they allowed Riba based banks, then the constitution of that state is to be considered as a constitution of disbelief, for this action implies that they believe the Sharia to be incomplete in perfection and they lack belief in the perfection of the one that revealed it, Glorious and Exalted is He. It is not a secret that this is kufr akber (major disbelief) which causes one to be expelled from the religion. In addition to this (it is also major disbelief) the elections which are held with the command of America, under the shade of its war planes and tank shells. Accordingly, everyone that is involved in these elections of which its case has been described prior- knowing and accepting, has disbelieved in Allah the exalted, and there is no might no power except by Allah. We should be aware of deceivers who speak in the name of parties and Islamic groups, and they urge people to take part in this obstreperous apostasy. If they were sin-

cere, then their concern throughout night and day would be to devote themselves to the religion of Allah the Exalted and to disassociate themselves from the apostate regimes and they would incite the people to Jihad against the Americans and their allies. If they are unable to do so then their hearts should deny and they should avoid taking part in the programs of the apostates or sitting in the assemblies of apostasy. All that we have mentioned about Iraq fully applies as well to the situation in Palestine. The country is under occupation, and the constitution of the state is a man-made and jahili (ignorant) that Islam is free of, and the candidate Mahmud Abass is a Baha'ee disbelieving agent."

The situation in Afghanistan today is not much different. For this very reason the soldiers of Khilafah announced their disassociation and disobedience towards Taliban and announced the Islamic rulings regarding them. For there is no obedience to one who is disobedient to Allah and there is no alliance with one who has clipped AL WALA WAL BARA from his aqeedah.

"O you who have believed. Do not take the Jews and Christians as allies. They are (in fact) allies of one another. And whoever is an ally to them among you. Then indeed, he is (one) of them. Indeed, Allah guides not the wrongdoing" [al Maidah 5:51]

Now as the Americans have started to withdraw from Afghanistan the current astray leadership of

Taliban tries to portray it as a victory for the Muslims. However that is not the case, because what the Americans stood for twenty years ago when they invaded Afghanistan, they still stand by those principles i.e. so called freedom and democracy. However, its Taliban 2.0 which was incurred the wrath of Allah upon themselves by changing its Manhaj from Tawheed and al wala wal bara to Democracy and Nationalism, bowing down to America while abandoning the pinnacle of Islam i.e. jihad for the sake of Allah.

But little do they know that jihad will continue until the religion in its entirety is for Allah SWT. Allah, the exalted, says,

"And fight them until there is no more fitnah (disbelief and polytheism) and the religion will be all for Allah alone. But if they cease (worshiping others besides Allah), then certainly Allah is all seer of what they do"[8;39]

Jabir ibn Samura narrated that Messenger (peace be upon him) said that this religion will continue to exist and a group of Muslims from my ummah shall continue to fight for its protection until the hour is established.(Sahih Muslim 1922)

And Allah is predominant over His affairs but most of the people do not know (12 18)

AND ALL PRAISES AND THANKS BELONGS TO ALLAH, THE EXALTED.

Do they seek with them Honor?

But indeed, honor belongs to Allah entirely

Is peace with the Taliban possible?

On Tuesday alone, he said, the Taliban had launched 43 attacks on checkpoints belonging to Afghan forces in Helmand.

"We call on the Taliban to stop needless attacks and uphold commitments. As we have demonstrated, we will defend our commitments if required," he wrote.

The Taliban has so far declined to confirm or deny responsibility for the attack.
